**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of broadband via sonic and support whatever is the correct way to ensure there is high competition for internet broadband services. I personally have felt the pain of previously living in a single vendor location, and service was awful without alternatives to claim you will switch to. The consumer loses without obvious competition, so does innovation.
